CONTRACT GRAZING SERVICES

The following are goat or sheep herders who hire out their herds for brush and invasive plant management. Controlled grazing is not suited for many projects. Although animals are often insured, urban and suburban areas are often not an option for grazing. These companies can assess your situation to help determine if grazing is appropriate. These animals are in high demand, some are booked up to a year in advance.

Driftless Land Stewardship LLC located in southwest Wisconsin. They determine grazing jobs on a case-by-case basis and prefer large multi-paddock jobs where goats stay through the growing season.

Contact: Jesse Bennett and Jaye Maxfield | Address: 13761 County Hwy X, Bagley, WI 53801.

Phone: 608-778-2832 or 608-778-6848 | Email: info@driftlesslandstewardship.com

Web: www.driftlesslandstewardship.com
